Why join the Naval Academy Parents Club of Central Pennsylvania?

The goal of the Parents Club is to provide support for both our Mid parents and Midshipmen.

The benefits of a 4-year membership include the following:

 - * Welcome Aboard Picnic for incoming plebes and their families
 - * Fall and winter sport watch parties - parties are typically held with either the USAFA or USMA's local parent clubs
 - * Firstie Dinner (Three Cheers)
 - * Tailgates
- ⚓ Cookies are delivered annually to the mid during the semester of their birthday
- ⚓ Midshipmen receive a card with words of encouragement signed by members of the club along with a gift card each semester
- ⚓ Prior to graduation, Firsties are honored at a club dinner and receive a graduation gift from the club which includes a cover bag and first salute coin
- ⚓ Up to two (2) personalized parent nametags
- ⚓ Receive a quarterly newsletter from the club which includes important upcoming dates and information celebrating the successes of midshipmen

There are many benefits to becoming a member of our organization including access to Naval Academy insight and experience and ongoing support of our Midshipmen and one another. USNA Parent Clubs offer a wonderful source of support and encouragement, particularly for the parents of a new Plebe.
